Assistance booking rooms:

If so desired, we will assist your room/hotel bookings. A single hotel room (incl. breakfast) will cost appr. 80,- EUR per night. You will need to sign up **very soon**, since there is a large demand for rooms in Heidelberg at this time of year.

(Please note: We are merely assisting in the booking process, the contract will be concluded between you and the hotel. Booking changes, arrival times or cancellations have to be negotiated directly with the hotel. Depending on the arrangement, there may be cancellation fees.)

I will inquire about rooms directly and do not need any assistance.

I would like to order:
