Accommodations

Since Heidelberg is a tourist town, it is recommended to secure accommodations early on.

For hotel bookings we recommend the [hotel booking engine \(http://www.heidelberg-marketing.de/content/e705/e724/index_eng.html\)](http://www.heidelberg-marketing.de/content/e705/e724/index_eng.html) of the Heidelberg Marketing GmbH. (For proximity to the conference venue, search for hotels in the "Heidelberg Old Town" category.) An economical alternative to hotel arrangements are private guest rooms, which can be booked on-line at the [Gästezimmer-Zentrale \(http://www.gaestezimmerzentrale.de/index_e.html\)](http://www.gaestezimmerzentrale.de/index_e.html) (English language bookings available).
